Born: June 26th, 1977. Málaga

Languages:

Fluent: Spanish

Brief History:

During university time in Malaga (1997), I started to work as a trainee electrician in the business with different production companies until 2004. Then I moved to Barcelona where I live at the present day.

My work experience is exclusively in the lighting department since 25 year ago. I have worked in many commercials, music videos and industrials as electrician, best boy or gaffer with different DoPs and directors. In these years I have used most of the stuff and technologies in this industry

Following, I list a few of the Directors of Photography I have worked as Gaffer:

Max Goldman - Jacob Ihre
Paolo Caimi - Timo Plogsedt
Laurent Rodriguez – Guto Moura
Federico Alfonzo - David Davlin
Lutz Hattenhauer - Luke Scott
Frank Griebe - Guillaume Lomprez
Michael Saxer - Felix Lieberg
Neels Feil - Mathieu Plainfosse
Edwar Linsley - Nick Bennet
Willy Dettmeyer - Adam Hall
Tobias Hochstein - Dani Robles
Carlos Verón
and many others.
